Admin

February 9 - Admin members met in the big room and discussed 3 topics.

Area chair reported a former H&I member received a phone call from a rep at West Care with questions regarding H&I. That member referred the West Care rep to the H&I team. H&I team reported this issue is resolved and no further action needed at this time.

PR chair asked if there is a Microsoft subscription available for PR use. Web team stated the subscription is for one computer only. An admin member suggested they try one of the free services and report back if this is sufficient.

Board of Director member reported Sunbiz has been updated with new member information and newest BOD member has been registered as agent with Sunbiz.

RCM I & RCM II Report

Good morning Bay Area,

The RCM Team would like to thank the 34 Homegroups for providing a vote to the WSC Interim Survey. We are so proud to represent a large area that has taken the time to participate.

There are still some Individual Surveys that can be completed on www.na.org/survey.

MOTION Passed to Areas

Proposal: 2025-01-003 Maker: First Coast Area & HRP Proposal: To eliminate the Florida Service Symposium as an FRSC hosted event. For the Florida Regional Service Committee to no longer host the Florida Service Symposium and to remove all references in the Guide to Florida Regional Service. Intent: To let go of the FSS with the hopes that this would allow the Southeast Zonal Forum or another Region/Zone to assume the hosting responsibilities for this event as this will free up a large portion of our funds. Rationale: The Florida Regional Service Committee inaugurated the Florida Service Symposium in 2005 and has hosted this event every other year since. Except for 2021 all were held in person. The event has always been provided to members at no cost. We have interacted directly with the medical field, treatment industry, the Department of Corrections, Law Enforcement, the legal system, and government officials to name a few. The Florida Service Symposium was the first event of its kind, attracted NA members from around the world, brought trusted servants of our fellowship together from coffee makers to World Board members. For 20 years the Florida Service Symposium has continued to fulfill its goal of becoming a primary model for trusted service training and all levels of service by providing cutting edge training not typically found elsewhere in our fellowship; communicating NA World Service strategic plans, initiatives, and current projects. We have fulfilled our mission and become a model for similar events now active throughout the world. Because there are now several similar events presented by adjacent zones the Florida Service Symposium is no longer a priority event for the World Board and NA World Service staff. The Florida Service Symposium has become expensive to host and the pandemic has made in-person events less well attended by professionals and members alike. Hotels, meeting space, food & beverage costs, travel costs, and declining donations have made this event cost prohibitive. Financial Impact: The FRSC would have up to \$31,200 to not only assist in other similar events but have more funding available for assistance to areas and perhaps additional donations to support NA World Services. Spiritual Impact: Letting go of the Florida Service Symposium would have a positive spiritual impact by allowing us to recognize our place in the fellowship as a whole and would

allow others to benefit, grow, and have the first-hand experience that Higher Power has allowed us to have for the last 20 years. Outcome: Sent to Areas Straw Poll of Bay Area – Consensus to approve

Helpline

For the month of January 2025 there were 9 calls and 0 SMS hookups.

Per request from a GSR: As for the GSR's that do not attend Area, not long ago we addressed the issue and a member of Helpline physically went to meetings in question and reported those findings at Area.

Hospitals & Institutions

This month, H and I welcomed five new members. All facilities report no current issues. We currently have a male and female jail coordinator. We are exploring the option of having one coordinator. This would eliminate any confusion that may arise with two individuals. We will discuss this further in our next meeting.

We had a facility reach out to a former H and I vice chair who gave them my number, which at that point should have been the end of the matter. However, it was reported to the area chair. The area chair contacted me concerning the call, and I attempted to explain that it was not that big of a deal and that all was taken care of and this was an H and I issue and not an area issue. She asked if we had contacted the facility to update the contact for H and I. I explained to her that it had been done with a representative of the facility and that there are many levels of contact within the facility, and perhaps it was not passed along to all members. I do not believe that there was a resolution with our conversation. Again, at this point, this is an H and I issue and not an area issue.

In loving service,

Samuel B.
