Hi this group still needs support but we are slowly gaining momentum. We are still not able to make an area contribution, but once we have saved a prudent reserve for rent we will begin making area donations. Thanks for your support, patience and understanding.

The group voted to discontinue the zoom meetings. We had a discussion about the lack of subcommittee reports because we're looking for guidance from our leaders and trusted servants. We're still having to use our prudent reserve to pay our rent due to lack of support. Our attendance is acceptable, but the members from the local recovery facility don't seem to donate to the 7th tradition.

2024.5.5.01 Maker of motion: Web admin / **Seconded by:** H&I chair

Motion text: Motion to end the online option for ASC attendance, return to an in person only format

Intent: To save time and energy and reduce disruptions to ASC proceedings. The online platform was a solution for dealing with the covid pandemic. However, the online platform has been under utilized for several months. For instance, last month (April 2024) we had only one participant who was not a GSR. We have been experiencing internet connectivity issues in which we have been disconnected, repeatedly, from the online participants, or from tools needed such as for voting. Participants often state they can barely hear discussions taking place. The effort to continue with the online format exceeds the benefits. In addition, running the online platform is beyond the written scope of the web admin / alt web responsibilities
