New Business

2024.5.5.01 Maker of motion: Web admin / **Seconded by:** H&I chair
Motion text: Motion to end the online option for asc attendance, return to an in person only format
Intent: To save time and energy and reduce disruptions to asc proceedings. The online platform was a solution for dealing with the covid pandemic. However, the online platform has been under utilized for several months. For instance, last month (april 2024) we had only one participant who was not a gsr. We have been experiencing internet connectivity issues in which we have been disconnected, repeatedly, from the online participants, or from tools needed such as for voting. Participants often state they can barely hear discussions taking place. the effort to continue with the online format exceeds the benefits. in addition, running the online platform is beyond the written scope of the web admin / alt web responsibilities
